### **PROFIT WARNING**

This announcement is made by Mobicon Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors of the Company that, based on the preliminary review of the Group’s unaudited management accounts for the year ended 31 March 2025 (the “**Reporting Period**”) and information currently available to the Board, the Group expects to record a loss attributable to the Shareholders in the range of approximately HK\$11 million to HK\$13 million as compared to the audited consolidated loss attributable to the Shareholders of approximately HK\$4.89 million for the year ended 31 March 2024.

The Board considers that the significant decline in profitability was mainly attributable to the drop in the Group’s revenue as a result of reduced demand for the Group’s electrical components distributed in South Africa during the Reporting Period, which adversely affected the Group’s financial performance during the Reporting Period. In addition, decreased customer spending and ascending trend for northbound shopping in Hong Kong further impacted the Group’s financial performance.

The Company is in the process of finalising the Group's results for the Reporting Period. The information contained in this announcement is only a preliminary assessment by the Board based on the latest unaudited management accounts of the Group and information currently available and is not based on any figures or information which has been audited or reviewed by the Company's auditors. The actual results of the Group for the Reporting Period may differ from what is disclosed in this announcement. Shareholders and potential investors are advised to read carefully the annual results announcement of the Company for the Reporting Period, which is expected to be published in late June 2025.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
