天秤 Scale — AND

HL-2000
手提式 1/2000 分辨率天秤
Portable & 1/2000 Resolution Scale

* Wide range of application including offices, warehouses, laboratory and industry
* Clear LCD display (8mm)
* Capacity=2000g
* Pan size: 136W x 136D mm
* Battery operated (AA) with optional AC adapter
* Net Weight / Stability indication

STOCK CODE : 644-154 PRICE : HK$ 770.00

EK-200G
實驗室天秤
Lab Balance

* 9 measurement units (Non-NTEP)
* Optional RS-232 interface card available Counting, percentage and comparator functions
* Capacity & Resolution 200g x 0.01g
* 110mm diameter pan
* Clear, wide angle LCD display

STOCK CODE : 644-153 PRICE : HK$ 3,318.00

EW-3000G
實驗室天秤
Lab Balance

* 8 Weighing Units (NTEP Class III)
* Optional RS-232 interface card available Counting, percentage and comparator functions
* Capacity & Resolution 3000g x 1g
* 5.2" x 6.7" rectangular diameter pan
* Clear, wide angle LCD display

STOCK CODE : 644-155 PRICE : HK$ 2,575.00

GF-6000
天秤
Toploader Balance

* Super Hybrid Sensor Technology
* Scale Range: 6100g x 0.1 g
* Multiple Weighing Units
* Clear VFD Display
* RS-232C Standard & WinCT software on CD-Rom

STOCK CODE : 648-642 PRICE : HK$ 7,150.00

不間斷電源供應 Uninterruptible Power Supply — APC

SUA2200RMI2U
在線式不間斷電源
Line-Interactive UPS Model

* Hot Swappable, Replaceable Battery
* Power Rating: 2200VA
* Input/Output Voltage : 230VAC/230VAC
* Full Load Backup Time : 5.2 min (1980Watts)
* 19" Rack Mount model : 2U type
* Communication : USB & Serial port

STOCK CODE : 920-227 PRICE : HK$ 8,150.00

SUA1000RMI2U
在線式不間斷電源
Line-Interactive UPS Model

* Hot Swappable, Replaceable Battery
* Power Rating: 1000VA/670W
* Input/Output Voltage : 230VAC/230VAC
* Full Load Backup Time : 9.1 min (670Watts)
* 19" Rack Mount model : 2U type
* Communication : USB & Serial port

STOCK CODE : 920-259 PRICE : HK$ 4,000.00

電源供應 Power Supply — ARTESYN

NLP -25 Series
25W 雙重輸出 AC/DC 供應
25W Dual Output AC/DC Supply

* Input Voltage: 90-264VAC, 127-375VDC
* Size: 4 x 2 inch with profile 0.9 inch
* Overvoltage & short cirucuit protection
* MTBF: 150,000 hours min
* Vibration: 2.4G rms peak, 5-500Hz

MODEL	OUTPUT	STOCK CODE	PRICE (HK$)
NLP-25-7629	+5V(2A), +12V(0.8A)	646-677	400.00

折射計 Refractometer — ATAGO

PAL-1
手提式數字量式折射計
Digital Hand Held Refractometer

* Wide range measurement: Brix 0.0 to 53.0%
* Light weight 100g with digital LCD display
* Measure almost any fruit juice, food or drink
* With automatic temperature compensation
* Measurement time: 3 sec
* Dim: 55 x 31 x 109 mm

STOCK CODE : 647-253 PRICE : HK$ 2,400.00

PAL-ES3
數字式鹽濃度分析儀
Digital Salt Meters

* Measurement Method : Conductivity Method
* Digital Display: % concentration of salt in sauces, catsups, seasoning, and soups
* Range: 0.0 to 33.0% (g/100ml) of salt concentration
* Guaranteed accuracy range: 15 to 35deg C
* Sampling Time: 3 seconds

STOCK CODE : 648-636 PRICE : HK$ 2,875.00

絕緣 / 高阻計 Insulation/ Continuity Tester — AVO

BM80/2
絕緣/高阻計
Insulation/ Continuity Tester

* 50V, 100V, 250V & 500V Insulation, backlight
* Exceptional insulation testing capabilities and excellent multimeter capabilities
* Voltmeter Mode. digitally measures to 600V both AC and DC voltage without switching : offers both 50 V and 500 V ranges
* Resistance Mode (Ohm) : deliver 205 mA of current: current output is critical when there is rust of corrosion at the point of connection

STOCK CODE : 645-947 PRICE : HK$ 8,692.00

BM81/2
絕緣電阻測試裝備
Insulation Resistance Test Equipment

* 50V, 100V, 250V , 500V & 1000V Insulation
* Exceptional insulation testing capabilities and excellent multimeter capabilities
* Voltmeter Mode. digitally measures to 600V both AC and DC voltage without switching : offers both 50 V and 500 V ranges
* Resistance Mode (Ohm) : deliver 205 mA of current: current output is critical when there is rust of corrosion at the point of connection

STOCK CODE : 645-948 PRICE : HK$ 8,692.00

BM82/2
絕緣電阻測試裝備
Insulation Resistance Test Equipment

* 50V, 100V, 250V & 500V Insulation, backlight
* Exceptional insulation testing capabilities and excellent multimeter capabilities
* Voltmeter Mode. digitally measures to 600V both AC and DC voltage without switching : offers both 50 V and 500 V ranges
* Live circuit warning that automatically displays voltage above 25V with audible alarm and inhibit circuit to prevent testing on live circuits above 55V

STOCK CODE : 645-949 PRICE : HK$ 8,692.00

BM100/4
絕緣 / 高阻計
Insulation/ Continuity Tester

* BM100/4 includes a voltage range
* The industry standard 500V analogue testers
* Lightweight, tough and robust
* Low cost
* Analog scale, designed with the latest technology giving ruggedness and reliability to analogue instruments

STOCK CODE : 645-939 PRICE : HK$ 3,203.00

BM101/4
絕緣 / 高阻計
Insulation/ Continuity Tester

* BM101/4 includes a resistance range
* The industry standard 500V analogue testers
* Lightweight, tough and robust
* Low cost
* Analog scale, designed with the latest technology giving ruggedness and reliability to analogue instruments

STOCK CODE : 645-940 PRICE : HK$ 3,203.00

BM121
絕緣電阻測試裝備
Insulation Resistance Test Equipment

* 250V / 500V Insulation and Inversions
* Automatic detection and indication of live circuits
* Simple to use and low cost
* Digital display
* The instruments automatically enter the Continuity Testing Mode which is hands free

STOCK CODE : 645-536 PRICE : HK$ 2,108.00
