CRC-18410

聚氨基紅絕緣噴漆

Seal Coat Red Urethane Coating

- * Polyurethane coating that insulates electrical equipment and seals out water and moisture
- * Clear formula allows for visualization of equipment; red provides a striking contrast
- * Generic Description 1: Urethane Coating
- * Appearance: Red-Brown liquid

MODEL	STOCK CODE	PRICE (HK\$)
CRC-18410	643-131	60.00

清洗用溶劑

Cleaning

ELECTROLUBE

ECS Series

電子清潔溶劑

Electronic Cleaning Solvent Plus

- * Super Fast evaporating solvent
- * Highly flammable-do not use on live equipment
- * Removes grease, dirt and most fluxes
- * Completely residue free
- * 100% ozone friendly

MODEL	STOCK CODE	PRICE (HK\$)
ECSP100 200ml	643-026	22.00
ECSP200D 200ml	643-027	58.00

SCO Series

矽樹脂化合物

Silicone Compound

- * Excellent water resistance
- * Highly insulating, chemically inert, odourless and non toxic
- * Excellent resistance to tracking
- * 100% ozone friendly

MODEL	STOCK CODE	PRICE (HK\$)
SCO35SL 35ml	643-040	60.00
SCO200ML	643-150	60.00

敷形塗料

Conformal Coatings

ELECTROLUBE

CPL200

透明的防護亮漆

Clear Protective Lacquer

- * General purpose coating
- * Solvent removable
- * High gloss
- * Flammable when wet
- * 100% ozone friendly

STOCK CODE : 643-024	PRICE : HK\$ 50.00

DCA200

敷形塗層 (透明的)

SCC3 Conformal Coating (Transparent)

- * UL approved
- * Resistant to common solvents
- * May be soldered through for rework
- * High specification flexible modified silicone resin conformal coating
- * Red version (DCR) available for camouflage

STOCK CODE : 643-025	PRICE : HK\$ 74.00

EML200F

電子接點清潔潤滑劑

Contact Cleaner Lubricant

- * Blend of high quality contact oil and high purity solvents
- * Cleans and lubricates all metal contacts for switches and connectors
- * Flammable - do not use on live equipment
- * Fast evaporating solvent minimising down time
- * 100% ozone friendly

STOCK CODE : 643-028	PRICE : HK\$ 40.00

SCP003

銀傳導的塗料

Silver Conductive Paint

- * Highly conductive silver loaded resin
- * Fast drying
- * Ideal for track repair
- * Ideal for pinpoint shielding

STOCK CODE : 643-041	PRICE : HK\$ 78.00
----------------------	--------------------

PCM250

聚氨基絕緣漆

Urethane Seal Coats

- * Flexible latex for masking components
- * Completely hand-peelable, leaving no residue
- * Dries at room temperature
- * High film strength, does not break easily
- * Solvent resistant and non-contaminating to conformal coatings

STOCK CODE : 643-121	PRICE : HK\$ 80.00
----------------------	--------------------

接點潤滑劑

Contact Lubrication

ELECTROLUBE

SOB Series

接點處理油 2X

Contact Treatment Oil 2X

- * Non-flammable and silicone free
- * Good mechanical properties
- * Reduces arcing and hence contact wear
- * Contact oil for switch and contact applications

MODEL	STOCK CODE	PRICE (HK\$)
SOB100 75ml	643-042	22.00
SOB200 200ml	643-043	62.00

熱處理

Thermal Management

ELECTROLUBE

HTC Series

熱轉換化合物

Heat Transfer Compound

- * Excellent thermal conductivity: 0.9W/mk
- * Easy and economical to use
- * Available in aerosol form (HTCA)
- * Silicone-free thermal pastes
- * Excellent non-crimp characteristics

MODEL	STOCK CODE	PRICE (HK\$)
HTC-02S 2ml	643-032	18.00
HTC-10S 10ml	643-033	28.00
HTC-20S 20ml	643-034	52.00

VID-100

磁鐵的磁帶頭清潔劑

Magnetic Tape Head Cleaner

- * Super fast evaporating blend of solvents
- * Removes dirt and oxides from tape heads
- * Reduces the incidents of read write errors
- * Do not use on live equipment
- * Highly flammable
- * 100% ozone friendly

STOCK CODE : 643-044	PRICE : HK\$ 33.00
----------------------	--------------------

保養

Maintenance

ELECTROLUBE

AFC200

抗靜電的亮光保護劑

Antistatic Foam Cleaner

- * Non flammable
- * Highly efficient hard surface cleaner
- * Safe on plastics
- * 100% ozone friendly
- * Shake well before use

STOCK CODE : 643-022	PRICE : HK\$ 45.00

FLUKE
Power Quality
Fluke 983 Particle Counter
空氣微粒計數器

●提供明確的數據：
從而改善及監察室內空氣質素。

●環境改善，包括：
醫院、藥房、食品及藥房加工場、
LCD及半導體生產線、HVAC系統。

●特大清晰顯示屏：
同時顯示六種微粒
數量與尺寸分析。

Fluke-572, Fluke-574, Fluke-576
Precision Infrared Thermometers
工業級紅外線探溫儀

●範圍更廣：-30°C至900°C
●距離測量目標更遠：D:S系數達60:1
●雷射光速：更明亮
●精度更高：±0.5%
